## **Commander's Message**

June is here, we're all graduated, scholarships awarded, Poppy Day, Memorial Day, Boy and Girls State is set and we are all ready for a little break.

Elections are June 4 at the General Meeting. Again we have a very short slate of members seeking to serve in leadership or on committees. We have about 500 members at this time, our Color Guard, once one of the largest and best in the state is about half that. Our Boys State and Scholarship programs have been run by the same people for years and the front table is little changed since I have been here. If we are to survive as a viable service organization we must rededicate ourselves to our mission of service to all veterans and their families, promote Americanism and holding the government liable for the rights of all the men and women who have served this country. To do this we need you to step up and become part of the solution.

We are presently under assault by some in the legislature over "Illegal Gambling". Please write your Congressmen and Senators asking them to quash Senate Bill 431 now and forever. Why we are being targeted I don't know but we really don't need the heat now with all we are facing.

God Bless America  
Mark

### **BAR COMMITTEE**

The June and July meeting will still have the "members only" night. Hot dogs and chips will be available on the honor system. Happy Hour with hot dogs will start at 4:00 pm and end at 6:00 pm due to the meeting. At the bartender's discretion, she may open the bar at the end of the regular meeting for a short time. The \$.50 cent discount will still apply to all alcoholic drinks.

As you may have noticed, there is a new bar manager and bartender. Please welcome them to The American Legion; without them our doors would close. I want to thank them for the last year of putting up with me. Hopefully, we will continue to improve our Legion. This is my last bar committee input. It's been real and fun but not real fun.

Gary Mock  
Bar Committee Chairman

Show me the Money is doing GREAT! And so is Barb in the kitchen. Thanks so much Barb, for stepping up every week to manage the kitchen.

Nominations are being taken and we will be electing a new board committee in June.

**SENATE BILL 431**; I am asking all members to look at the attached flier and call your Missouri Congressman to tell them you do not want this bill to pass. It is right now in a holding pattern called 'informal committee.' This bill will affect how non profits can raise funds. So, the Commander Mark and I ask that you please call and let Congress know how you feel.

SAL

Now that the busy Month of May is over we get to the real Summer. I am sorry to have missed so much fun Memorial Day Weekend. I know all who attended the various activities and helped Deb with the Poppies, cooked, arranged the Dance etc were appreciated and made our post the place to be.

The SAL Ham Dinner was excellent and I know the Steak Dinner June 12th will be great too. Yes, the rumor is correct! Steak every month thru the summer. Where else can U get Steak Potato Salad Roll and Dessert for \$15 plus good friends for company and drinks all day and night at a VERY reasonable price; not only that all proceeds go to help our veterans!! So lets eat drink and be merry while honoring all who have or are serving our nation.
